Dear Pastor Tyron and Friends,

Thank you for your gracious gift to our Mission: Water for LIFE outreach. You have heard the cry of suffering children and their families, and with your support we are offering "a cup of water" in Jesus' name. We are truly grateful for your help.

Students, my wife Betty and I love to hear from dynamic young people who love Jesus. We are thrilled that at your young ages you are already learning the joy that comes from helping others through serving God. It is a wonderful feeling knowing you've helped someone else--and the best part is, you are literally sharing God's love with these people who are so desperately needy.

We pray God's abundant blessings upon your church family. Every life we touch is a result of the heartfelt support of friends like you, and we want to have a part in encouraging you.

"May the Lord bless you and keep you, may He make His face to shine upon you... and give you great peace!" Numbers 6:24-26

In His Service,

James Robison
